

## Healthy Congregation Tips: Everyone Contributes

Have you been reading our tips for a Healthy Congregation?  
Thanks! That's great.

Here are some words about how each person matters:

***Tip: Everyone Contributes.***

***Reflection:*** “Health and illness depend on all the parts interacting; no single part or group promotes health or illness. Everyone contributes. The congregation is seen as the unit of health or illness.”

***Source:*** Peter Steinke, *Healthy Congregations*
