

**Did You Know...?**  
*You can showcase your musical talents here at First U.*  
May 1, 2016 & May 8, 2016

One thing that makes our worship services so special are our musical offerings. You have probably heard our interim music director, Claudia Frost, playing the piano, our Choir sharing their voices, and guest musicians, playing a variety of instruments.

You, too, could join in this beautiful harmony on Sunday mornings.

We welcome you to participate as a regular choir member, guest vocal soloist, or guest instrumentalist. Join the performance for one Sunday - or many. Don't be shy to share your talents.
