

Did You Know...?

Social justice is the lifeblood of Unitarian Universalism.

May 29, 2016 & Jun3 5, 2016

The First Universalist Church of Yarmouth has a strong commitment to our Faith In Action program, believing that participating in social justice actions is how we live our faith out in the world.

As we work to heal our world, help others, and honor the interconnectedness of life, we'd like to invite you to join in or support our initiatives, including:

- Monthly First Tuesdays at Preble Street Resource Center's soup kitchen in Portland - including the upcoming summer months!
- Weekly English Conversations Circles on Tuesday evenings at Opportunity Alliance in Portland
- Education and Summer Camp Scholarships for our Partner Church in Gyepes, Romania
- Pride Portland Parade on June 18th in support of LGBTQ rights
- Half-Plate Donations to Local, National, and International Nonprofit Organizations

If you want to get involved, or have ideas or questions, contact Marge Titcomb (mjtbean@aol.com).
